

OUTCOMES STAR™ CANADA PRICING

Triangle provide dedicated support to organisations using Outcomes Stars – this includes:

- named contact from the Triangle team in your region
- helpdesk service for Outcomes Star Online during UK working hours
- access to free webinars, implementation resources and flexible support.

There are two types of licences on offer: **BASIC LICENCE** or **STAR ONLINE LICENCE**.

For each type there are two costs to consider for your organisation: **Account Fee** and **Additional Licences**.

BASIC LICENCE

Account Fee

Introductory offer in Year 1
\$80

- Includes 5 licences

Account Fee after Year 1
\$160 per year

- Includes 5 licences

Additional Licences

Introductory offer in Year 1
\$16 per additional licence

After Year 1
\$32 per additional licence per year

- All practitioners using Outcomes Stars with service users need a licence
- Includes access to regularly updated resources for all published Outcomes Stars

Please note: licensed practitioners must complete Outcomes Star Core Training.

STAR ONLINE LICENCE

Account Fee

\$400 per year

- Includes one licence for your Account Lead

Additional Star Online Licences

\$64 per practitioner per year

- All practitioners using Outcomes Stars with service users need a licence
- Includes Outcomes Star Online login and access to regularly updated resources for all published Outcomes Stars

Please note: licensed practitioners must complete Outcomes Star Core Training.

Prices apply in Canada and are exclusive of UK sales tax, VAT.

Prices valid from January 2024
