

## Referencing the Outcomes Star™

### Guidelines for reproducing or citing Outcomes Star words and images

The Outcomes Star and all associated content and materials are the intellectual property of Triangle Consulting Social Enterprise Ltd. Any persons wishing to include or cite Outcomes Star content in research papers, proposals or other documentation must ensure they comply with copyright controls as set out below.

#### 1 Complying with copyright requirements

You must not adapt, change or edit any aspect of the Outcomes Star including:

- the name of the Star
- the outcome areas
- the stage names in the Journey of Change
- the content in the short and detailed scales
- the Outcomes Star logo and all other visuals

You must reference Triangle as the copyright owners of the Outcomes Star using the information in the table below – this can be in a footnote or a text box on the same page as the Star content appears.

What you must include		Text
1	<b>Name of Star</b>	<p>“XYZ Star™”</p> <p><i>(NB to create the trademark symbol: type bracket ‘(’ then ‘TM’ in capitals then close bracket ‘)’ – this works on most computers)</i></p>
2	<b>Copyright holder information</b>	<p>“© Triangle Consulting Social Enterprise Ltd”</p> <p><i>(NB to create the copyright symbol: type bracket ‘(’ then small ‘c’ then close bracket ‘)’ – this works on most computers)</i></p>
3	<b>Reproduction information</b>	<p>If you hold a valid licence: “Reproduced under licence”</p> <p>If you do not hold a valid licence: “Reproduced with permission from Triangle Consulting Social Enterprise Ltd”</p>
4	<b>Website</b>	<p>“See <a href="http://www.outcomesstar.org.uk">www.outcomesstar.org.uk</a> for full copyright details”</p>

Please note that derivative works are strictly prohibited. Organisations with Star licenses for members of staff using the Star do have permission to integrate Star intellectual property into their own materials – talk to Triangle for more information.

## 2 Guidelines for citing the Outcomes Star

When citing the Outcomes Star in academic publications or other documents, you should include the following information:
