The social enterprise behind the Outcomes Star™

Triangle Consulting Social Enterprise is an innovative, mission-led organisation that exists to help people reach their highest potential and live meaningful and fulfilling lives, often in the context of social disadvantage, trauma, disability or illness.

We do this by creating and supporting the Outcomes Star and other tools to unlock the potential of both individuals and the workers and organisations who support them. We believe that by balancing clear thinking, human connection and action – using the head, heart and hands – we can make a real difference in the world.

Triangle is the trading name of Triangle Consulting Social Enterprise Ltd. Registered address (not for correspondence): Preston Park House, South Road, Brighton, East Sussex, BN1 6SB, United Kingdom. Registered in England and Wales, company registration number 07039452.

Please note All prices are in £ sterling and are exclusive of VAT. Prices valid from August 2021

*all prices include training materials for all participants

**10% discount if booked with Core training
